

"Join us Sunday afternoon 4/28 (weather permitting) for the first CS ManTech golf outing at scenic Gross National GC, only 7 miles from the hotel. We will play a fun scramble format so golfers of all abilities are welcome and we will try to form teams reasonably evenly. Green fees (paid by players individually at the course) are \$55 for golf + cart. Plan to bring your clubs since they only have a few rental sets there (and they probably are not state of the art!). You might also plan to bring a warm golf sweater, this being in Minneapolis in early spring!

If you would like to get in on the fun, please e-mail Marty Brophy (drgaas@gmail.com) with your name, affiliation, number of people you are signing up, each player's average score, and any other people you would like to have in your group(s). We need to provide the course with final numbers by April 10, so please contact Marty by April 9 if you would like to play."
