

## Golf

This year we are introducing our inaugural Invitational Golf Tournament as part of our conference on Sunday April 28<sup>th</sup>. We're excited to include this event as a fun way to network and build relationships in our growing community.

The tournament will include a mix of chip manufacturers, suppliers, and other compound semiconductor professionals. The format will be a 4-person team best-ball scramble with prizes to teams with the lowest and highest scores and with individual closest to the pin and long drive hole prizes. All skill levels are welcome so come join us on the fairways in Minneapolis!

## 5K

For a mid-week rejuvenator, join us Wednesday morning at 6am for a non-competitive run or walk along the Loring Greenway through Loring Park (~1 mile round trip), and if you wish, continuing on to Cedar Lake and the Lake of the Isles along the Kenilworth Trail multipurpose path (~3-4 miles out-and-back or 6.5 miles for the full loop course <https://www.hyatt.com/hyatt/images/hotels/miarm/miamijog.pdf>). We will leave right from the hotel at the same time and people can go as far or as short as they want, and there will be refreshments for everyone back at the start. No registration necessary, just show up and have fun!

The image contains a map and a list of directions for a 5K run/walk route starting and finishing at the Hyatt Regency Minneapolis. The map shows the route starting at the hotel, heading east on Nicollet St through Loring Park, then west on Kenwood Pkwy, south on Dean Pkwy, and a loop around Cedar Lake, Lake of the Isles, and Lake Calhoun. The route is marked with numbers 1 through 9. The map also shows major roads like I-394 and I-94, and various parks and lakes. A compass rose is included. The text on the right provides a numbered list of directions corresponding to the map markers.
