

The health and safety of all attendees at the 2022 CS MANTECH Conference in Monterey, CA is our top priority. We are monitoring both California State and US Federal Government mandates and policies, Centers for Disease Control and Prevention (CDC) guidelines and public health advancements. As information pertaining to the COVID-19 virus continues to develop, we will adjust our approach as needed and keep you up to date with new developments to ensure a coordinated effort and a safe environment for the CS MANTECH Conference.

Everyone attending the 2022 CS MANTECH Conference will need to show proof of full COVID-19 vaccination status OR proof of a negative result from a COVID-19 test taken no more than 72 hours prior to arriving at the conference site. This requirement applies to all attendees, including speakers and exhibitors. Mask and social distancing requirements during the conference will be based on the Monterey County recommendations and requirements at the time of the conference. By registering for the conference you agree to accept our vaccination and testing requirements, and that that you will abide by the safety requirements in place at the time of the conference, which may include masking and social distancing.

For attendees from outside the US, vaccination and testing policies for air travel into the US can be found [here](#). Please familiarize yourself with these requirements before registering.
